October Guest Artist ED LUCEY

LOCAL ARTIST, ED LUCEY, SHARES HIS PAINTING TECHNIQUES

The Fremont Art Association welcomes October guest artist, **Ed Lucey**. Lucey will share his techniques in water soluble oils on canvas. "No matter what the subject, I like to show the brushwork or "structure" of the painting with a technique known as "*alla prima*." The meeting will be held on Wednesday, October 7th at 7:00 p.m. at the Fremont Art Association Gallery at 37659 Niles Blvd, Fremont.

Lucey believes that there is a wealth of subject matter here in California; therefore he tends to paint scenes from the Bay Area and surrounding countryside. He paints in his Los Gatos studio where he has lived for many years.

Ed Lucey's early education was at San Jose State University and later his art and design studies were at the Art Center College of Design in Pasadena. Although his education was in industrial design and he has worked as a product designer for thirty-five years, Lucey has used acrylic and watercolor media professionally and as a painter for almost as long.

Managing his own design business gave Lucey time to teach in Essen, Germany with a Fulbright Grant, San Jose State University and Stanford University. He has been represented by Voshan Fine Arts Gallery in Palo Alto, Connexions Gallery in Sausalito and Healdsburg, Allegro Gallery in Portola Valley and is currently showing at the Valley Art Gallery in Walnut Creek, Casa Galleria in San Juan Bautista, and Los Gatos Framing in Los Gatos. His work has won awards at the Pacific Art League in Palo Alto, the Los Gatos Art Association, the Visual Artists Association Summit at the Triton Museum in Santa Clara and the Santa Clara County Fair.

For more information about this artist please visit his website at www.edlucey.com.

From Jacline, President Pro-Tem:

Dear Members: Wow! what a year it's been so far! FAA's success has proven itself from the Plain Air paint out at Coyote Hills and Lake Elizabeth, to all the Wednesday demos and Jan Schafir's critique at our September meeting. Open Studios, Regan Nursery, our photo shoots at the Pinnacles, Lake Tahoe, Sunol, etc., the Tuesday painters at the Gallery, we had 5 showcases, 3 quarter shows, and now the upcoming Fine Arts Show! FAA's outreach is incredible! My appreciation to the hard-working and dedicated volunteers who worked so diligently on all the events for 2009. I am so grateful to our members for bringing about new memberships; the Gallery Director who supervises the on-going needs of the gallery. Yes, FAA is busy with new class offerings, workshops, and the Gallery shows this dedication. We look forward to bigger and better and yes! it can only get better! My thanks to all for the kind of cooperation that makes us a very proud Art Association.

NOTES FROM THE GALLERY DIRECTOR

Jaci Daskarolis

We had a wonderful Fine Arts Show, and WANT to thank everyone who worked so hard to make it so successful: Sheryl, Valerie, Anne and many more.

We also need information/help in the following areas:

1. An electrician to confer with us about what can be done for lighting.
2. We need to know the best way to paint the gallery floor without having to repaint it several times a year.
3. How to access the internet to save the Gallery excessive costs.

A special note: The Plein Air Art at Lake Elizabeth added to FAA's membership, thanks to Robin Leimer.

A 2 Day Painting Workshop with Laura Williams ---
Join award winning artist, Laura Williams, for another action-packed 2-day painting workshop, Saturday & Sunday, November 14 & 15. This workshop is designed for students of all levels. Predominantly a plein air painter, Laura will demonstrate how to paint a landscape indoors quickly and relatively small. We will work from photos or even a still life in the medium of your choice—oil or acrylic. There will be a slide presentation, a demonstration of how Laura works and the tools she works with, a quick study exercise for warm-up and loosening up – a great exercise

for comparing line vs. value. Focus of the workshop will include design, composition, value, color and brush work. Participants will paint and the instructor will provide personal assistance. A great workshop experience and a good time will be had by all! Laura has been teaching workshops and displaying her art work for several years throughout the San Francisco Bay Area, Yosemite, and the Wine Country. She has won several awards for her artwork. Please see her website for more information on her award winning art at: www.laurawilliamsart.com.

Jan Does it Again! As September guest artist, Jan Schafir facilitated a critique at the Fremont Art Associations' (FAA) September meeting.

In 1990 she began teaching children in the Arts in the Schools Program sponsored by the Fremont Cultural Arts Council. She has taught many years in Yosemite National Park, the La Romita School of Art in Italy, 2000, 2001, 2004 and 2007.

Schafir created Jan's Art Studios in 1996 as a working studio for herself and four other artists, who teach as well as consult other artists at various stages of painting. She teaches on a continuous schedule of painting, drawing and composition.

Schafir is a signature member of the Society of Western Artists, twice past president of the Fremont Art Association and the founder of the Fremont's "Open Studios" that takes place every year in early June. She loves teaching, and has helped many local artists get

started in the process and enjoyment of creating art.

Langenbach Showcase

The Fremont Art Association is pleased to announce **Peter and Marie Langenbach**, the Association's Fourth Quarter Showcase Artists. Langenbachs' current body of work in watercolors and sculpture will be on display at the Fremont Art Association's Gallery located at 37659 Niles Boulevard in Fremont. The exhibit will take place October 21 through November 8. You can meet both the artists at a reception held in their honor at the gallery on Sunday, October 25 from 1:30 – 4:00 p.m, hors d'oeuvres and beverages will be served. A variety of new works from additional member artists will compliment the gallery's fourth quarter offerings. Please join with your community in celebrating these two very accomplished artists.

About the Artists:

Marie received her AA degree from Napa Jr. College where she was first introduced to the watercolor medium and in 1969 graduated from San Francisco State University with a Bachelor of Arts degree in Art Education. Marie has been painting with watercolor exclusively for over 25 years. After starting a family and moving to Fremont she continued taking painting classes at Ohlone College under the direction of Dave McLaughlin and Dennis Collins.

The main focus of her painting is the depiction of ordinary objects arranged in a visually stimulating or challenging way. Each painting becomes a problem to solve, concentrating on the interplay of such elements as texture, color, light (reflections) and form. Marie's paintings have been exhibited in Bay Area galleries and county and state fairs.

In 2008 Peter had a show at the Museum of Los Gatos, collaborated on an installation for "The Day of The Dead" show at the Oakland Museum, was part of a group show at Ohlone College art gallery, exhibited at two shows at Olive Hyde Art gallery in Fremont, and had pieces at the Alameda County Fair, Marin County Fair and The Napa Town & County Fair.

Peter states that, "My Art is about humor from the content to the completely recycled/reused materials that go to make it up. Have fun with it."

Advertising space in the Local Color is currently available at \$50 per half (1/2) page per issue.

We welcome participation by all artists and/or art vendors who wish to advertise."
