the FAA President's Palette**WELCOME BARBARA CRONIN**

The Directors and the FAA would like to welcome Barbara Cronin to the Board. Barbara is a long time member who has previously served as Gallery Director and takes a leading role in Tuesday Painters and Fiber Arts. She regularly exhibits, staffs and sells in the Gallery. Barbara has been attending Board meetings (3:15 on the 4th Wed of the month); her contributions are always valuable. Thank you, Barbara!

From the FAA Gallery Director's Palette

We are quickly nearing the end of the 2nd Quarter in the gallery. The last day of the current quarter is July 8th. Pick-up and Receiving for the new quarter are on July 9th, from 11:00 am to 1:00 pm. If you can help at Receiving, we would appreciate it, since two of our usual helpers are going to be out of town.

Summer is always a time when we have more visitors in the gallery and in July the annual Charlie Chaplin Days will be celebrated, so keep that in mind when you bring in your artwork.

Also in July is our annual July 4th potluck which will be held on July 11th, so we won't interfere with any family holiday plans you may have. Please join us for this great time to meet with other members and their families. Bring a dish to share and maybe I can convince Donna and Gene Arrillaga to once again bring the luscious ingredients to make their fantastic hand-churned ice cream. We've had strawberry and apricot in the past; I wonder what we might have this year.

We are still looking for people to help run the art association and the gallery, so please consider helping run your organization.

The general meetings and guest artists for the next few months are:

July 11, 5:00 – 7:00 pm – Annual potluck

August 1, 7:00 – 9:00 pm – Guest Speaker: Veronica Shimakovskaya who will talk with us about an opportunity to have a special Black and White Film Festival with Essanay Films sometime this fall. We will learn how we all can participate in this partnership. PLEASE NOTE TIME OF THIS PRESENTATION.

September 5, 1:00 – 3:00 pm – Guest Speaker: Anna Koster, Georgia O'Keeffe's companion

October 3, 1:00 – 3:00 pm – Guest Artist: Laura Schofield; Colored Pencil; interactive demo

November 7, 1:00 – 3:00 pm – Guest Artists: Barbara Cronin and Grace Rankin will tell us about their art journals and how we can do what they do!

Thank you to everyone who has helped this month. I appreciate all you do.

Gallery Director

Welcome to Mehville June 18-22

Some art magic happened in the FAA Gallery during the third week of June. An entire City was created by six children ages 6-11 years old. Led by Tatiana Taganska and Olga Tymoschuk, the group started from a blank slate of two large tables. From there, they built a whole city: Mehville.

First they put in the land and the river. Then each student built their own fantasy house. The residential area included House # 454 and House #2210, and apartment houses. After those were built, the group went on to build the common areas: stores, airports, a carwash, a pet store, restaurants, gardens, playgrounds.

Roads, tunnels and bridges finally connected all the areas. There were ramps, highway exits and signs, a funicular, streets, lighting, municipal art. Community recreation areas had a waterslide, a merry go round, movies, a fountain, and swimming pools.

All the planning and all artistic inspiration and all the work led to a magnificent cit, built in one week by a group of children.(City Planning Commissions take note!) And after Mehville was built, what happened? The creators played!. Here are a few photos of Mehville:
