GUEST ARTIST
Veronica Shimanovskaya
Wednesday, August 1, 7:00 – 9:00 pm

Guest Speaker: Veronica Shimanovskaya
who will talk with the Fremont Art Association about
an opportunity to have a special Black and White Film Festival with Essanay Films sometime this fall.

We will learn how we all can participate in this
partnership. PLEASE NOTE TIME OF THIS
PRESENTATION.

About Veronica Shimanovskaya
Veronica Shimanovskaya is a St. Petersburg-
born American artist. She has just completed
her Professional Doctorate in Fine Art at the
University of East London.

Education:
DFA, MA Fine Art - UEL
ALM (MA) - Dramatic Arts - Harvard University
MA Architecture - SPSUACE
**Art:** The making or doing of something whose purpose is to bring pleasure to people through their enjoyment of what is beautiful and interesting.

**Association:** An organization of people with a common purpose and having a formal structure.

**Cooperation:** Cooperation is the process of groups of organisms working or acting together for common, mutual, or some underlying benefit, as opposed to working in competition for selfish benefit.

These somewhat dry definitions describe the Fremont Art Association. And they are the tenets by which we operate and work together. There is an art to association and cooperation.

Everything we do at the FAA is Art, whether it is window and display designs, gathering for a potluck, staffing the Gallery, cleaning the bathroom, or working a special event. Sometimes it’s just checking up on a member who hasn’t turned up for a while, or noticing the amount of work certain members do. There is an art to cooperating and supporting each other. There is an art to caring, listening and discussion. I work on this art all the time. I hope you all do too.
This quarter in the gallery, we have the regular quarterly show as well as a mini-show. There are so many beautiful and unusual pieces of art in the gallery, be sure to stop in to see what's new. The mini-show is entitled “The Art of Craft” and has art from: Donna and Gene Arrillaga (I'll bet you didn't know that Gene is also an artist), Valerie Byrne-Hamilton, Barbara Cronin, EE Hazlett, Jenny Mosco, and Melba Vincent.

The 3rd quarter Receiving was, as always, busy and crazy, but it was made possible because a record number of people came in to help. Thank you to all these wonderful people for being there on July 9th, working several hours, and making it all happen: Gene Bobik, Denny Stein, Lucinda Bender, Donna Arrillaga, Lisa Blaylock, Trang Nguyen, Carie May, Martha Matthiesen, Emi Tabuchi, Farshid Namei, Valerie Byrne, Akshata Kulkarni and Mayur Kulkarni (and Chico their golden retriever puppy who added an abundance of cuteness to the chaos).

On July 11th, FAA had its annual July potluck. I’m so glad we made this one of our traditions several years ago because I truly enjoy seeing everyone at this event and relaxing together and getting to know each other a little more. We had 22 people this year and we enjoyed such delicious food. And as has also been part of the tradition, Donna and Gene Arrillaga provided the dessert – homemade strawberry ice cream – made in their antique hand-crank ice cream maker. Gene Arrillaga and Gene Bobik were the official ice cream makers, cranking away while the rest of us ate. They are so good to do this for us because I’m sure they were hungry, too. But after the ice cream was made and set aside to ripen they ate, and then it was time for everyone to enjoy ice cream. Thank you to everyone who was there for bringing such delicious food and a special thanks to the Donna and Gene A. for the special treat.
